

# 2012 Incentive Fund: Let's Make It Work!

All Warm Up shows will pay.

We will be paying out for the following 9 classes:

Rookie 2  
Novice Horse Open 2  
Novice Horse Non Pro 2  
Non Pro  
Intermediate Non Pro  
Limited Non Pro  
Open  
Intermediate Open  
Limited Open

If you sponsor at our **first** show you will be eligible for all 3 shows.

If you sponsor at our **second** show you will be eligible for 2 shows.

If you sponsor at our **third** show you will be eligible for 1 show.

Fee: \$250.00 (50% goes to added money and 50% goes to incentive fund)

When both the rider and owner of the horse are sponsors, they will receive 100% of the payout. If only the rider OR the owner is a sponsor, they will receive 50% of the payout and the other 50% will roll into the added money.

**If you participate as a sponsor, you will only be showing against the other sponsors in that class!**

## This is how it will work:

If we get 50 people sponsoring in our first show, that equals \$6,250 going to our added money and \$6,250 going into a purse for the sponsors. That money is divided by 3 shows and then divided again by nine classes. The show purse for the first show will be \$2080.00 and the purse for each class will be \$231.00. **A reminder: you would only be competing for Incentive Fund cash against other sponsors.**

.

The payouts will be the same as the NRHA pay schedule, but THIS DOES NOT COUNT AS NRHA EARNINGS!

THE ADDED MONEY WILL BE RAISED BUT NOT ENRTYFEE LETS BE A SPONSOR
